WARNINGS

- Before starting the assembly or use the structure, read carefully instructions and verify the presence of all the components.
- This system has been designed exclusively for basketball not for others uses;
- Do not climb on the structure.
- Use anchors appropriate for the type of floor.
- Verify that the system is fixed with appropriate anchors (not included) for the type of the floor.
- The constructor is not responsible for any eventually damages caused from a bad or not responsible use of it.

MAINTENANCE

- Once a year, control that all the fixings are well closed.
- Every time that the system is installed, control the general condition of it.

In case of structural failures or deformations, breaks or anomalies in general, contact immediately the installer or the dealer.
